CHARLES H. KELLOGG

'CHARLIE'

The Williamsburg Town Report this year pays tribute to Charlie Kellogg, a life long resident and beloved member of our community. We wish to express our heartfelt appreciation for 15 years of faithful service as Town Clerk. Charlie loves his town, is interested in its welfare and has performed countless services for which we are truly grateful. Charlie has been a remarkable example of kindness, understanding and patience. For his gracious and untiring efforts on behalf of the Town of Williamsburg, he will always be remembered.

So voted. Vote was unanimous.
BORROW - \$ 338,000.00
WATER AVAILABLE SURPLUS - \$ 19,800.00

Article 35. Moved and supported the Town vote to raise and appropriate the sum of \$ 16,600.00 to the Stabilization Fund and to take said sum from Timber Sales.
So Voted. Vote was unanimous.
TIMBER SALES - \$ 16,600.00

Article 36. Moved and supported the Town vote to raise and appropriate the sum of \$ 30,000.00 for the purpose of constructing new sewer lines and to meet such appropriations take the sum of \$ 30,000.00 from sewer revenue reserved for appropriation.
SEWER REVENUE - \$ 30,000.00
So voted. Vote was unanimous.

Article 37. Moved and supported the Town vote to authorize the Board of Selectmen to settle that lawsuit entitled "Burrows et al vs. Town of Williamsburg", Hampshire Superior Court Case No 84-206 in accordance with those Settlement Conditions which have been negotiated by the parties as hereinafter set forth; and in furtherance thereof and included in this vote to see if the Town will vote to (a) accept the deeds to it as provided for in Settlement Conditions No. 3 and No. 5., (b) AUTHORIZE, EMPOWER AND DIRECT THE Board of Selectmen to execute and acknowledge and deliver in the name and on behalf of the Town that deed as provided for in Settlement Conditions No. 4 and all such other documents as may be required and necessary to effectuate said settlement, said deed and said other required and necessary documents to be in such form and substance as the Board of Selectmen shall determine to be correct and proper to fully complete said settlement, or take any other action thereon.
So Voted - Vote was Unanimous.

SPECIAL TOWN MEETING DECEMBER 5, 1988

A QUORUM BEING PRESENT THE Special Town Meeting was called to order at 7:40 PM by moderator Eileen Stewart. The moderator called for a motion from the floor, and it was moved that we take up Article 1.

Article 1. Moved and supported the Town will join in the establishment of the Hilltown Resource Management Cooperative (HRMC) together with the following towns: Chesterfield, Cummington, Goshen, Huntington, Middlefield, Plainfield, Southampton, Hatfield, Westhampton, and Worthington; for the purpose of developing and implementing options for the disposal of solid waste; and to accept a certain Memorandum of Understanding among the towns as presented to the Select Board of the Town of Williamsburg, and to direct that one Town Representative be appointed by the Board of Health and one appointed by the Board of Selectmen. So Voted.

Article 2. NO ACTION WAS TAKEN ON ARTICLE 2.

Article 3. NO ACTION WAS TAKEN ON ARTICLE 3.

Article 4. NO ACTION WAS TAKEN ON ARTICLE 4.

Article 5. Moved and supported the Town vote to adopt the following By-Law:

The office of Town Collector is hereby established. The Town Collector will be appointed by the Board of Selectmen for a three year term. The duties of the office are all of the duties assigned by statute or by-law to the Tax Collector as well as the duty to collect all other accounts due to the Town for water or sewer service, and such other accounts as the Board of Selectmen may direct. The Town Collector will keep office hours of a least thirty hours in a typical week.

Transition rule: This by-law will take effect on the day after annual Town Meeting in May 1989; the incumbent Tax Collector (which post is abolished by this by-law) will be automatically appointed to a three year term as Town Collector.

So Voted. Chair declared vote greater than 2/3

Article 6. NO ACTION WAS TAKEN ON ARTICLE 6.

Article 7. Moved and supported the Town raise and appropriate the sum of \$3,461.69 to pay to the City of Northampton for services rendered in fiscal 1988 and to meet such appropriation \$ 3,461.69 be taken from Sewer Revenue. So Voted. Chair declared vote greater than 9/10.

SEWER REVENUE

So Voted. 203 FOR 17 AGAINST 7 ABSTAINED

Article 8. Moved and supported the town adopt the following by-law:

BOARD OF WATER AND SEWER COMMISSIONERS

There shall be a Board of Water and Sewer Commissioners whose duty it shall be to maintain, construct, reconstruct, administer and expand the water and sewer systems of the Town; to manage, acquire, and control lands designated town watershed or reservoir lands; and to levy and direct the collection of charges for services. All collections will be deposited with the Town Treasurer. The Commission will maintain separate sewer and water accounts funded by the fees of their respective services and insofar as is practicable the expenses of each service shall be met by the account for that service; joint expenses will be paid for jointly. The Commission will have all authority granted to Water Commissions and Sewer Commissions by the statutes of the Commonwealth. There shall be five Commissioners, each elected for a term of three years, two terms first expiring with the Annual Town Meeting 1989, two terms first expiring with the Annual Town Meeting 1990, and one term first expiring with the Annual Town Meeting 1991. The Commissioners shall appoint a Superintendent who shall oversee the operations of the water and sewer systems and all construction projects. The Superintendent shall receive compensation established by the Commission, not to exceed the sum appropriated by vote of a town meeting on a warrant article which separately discloses such amount. Provided, however, that if the Commission appoint one of their number to be Superintendent, the Board of Selectmen shall fix the amount of compensation, subject to the same appropriation.

Transition Provision. This by-law will take effect January 1, 1989. All elected members of the Sewer Commission and of the Water Commission will be members of the Sewer and Water Commission. The meeting notes that as of the consideration of this article there are four persons occupying five seats and one vacancy between the two boards.
So Voted

Article 9. Moved and supported the Town join a fully regionalized K thru 12 school district in accordance with the attached proposed Hampshire Regional Agreement provided that its first year Massachusetts General Laws Chapter 71 (Incentive Aid) is 100% reimbursed by the Commonwealth.
DEFEATED 53 FOR 159 AGAINST

Article 10. Moved and supported the Town amend the vote adopted under Article 34 of the Annual Town Meeting held on May 2, 1988 so as to raise and appropriate and authorize the borrowing of the additional sum of \$ 83,000.00 for the purposes stated therein and to make any amendments necessary thereto so that said vote shall read as follows:

"That the Town hereby appropriates the additional sum of \$ 83,000.00 in addition to sums appropriated under Article 34 of the Annual Town Meeting on May 2, 1988, in order to purchase or to take land and development rights to certain properties located off South Street, being the land described in this Article, and including incidental costs of closing and of survey directly associated therewith and adjustments agreed to in the contract for purchase; and to authorize the Selectmen to sell the house and four acres of land and that to raise such appropriation, the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of \$ 83,000.00 under and pursuant to Chapter 44, Section 7 (3), of the General Laws or any other enabling authority (which other authority may include Section 6A of said Chapter 44), and to issue bonds or notes therefor, PROVIDED THAT any sums received in the form of any grant for the property to be purchased hereunder shall be used to reduce the amount of said bonds or notes to be issued.
So Voted Vote was unanimous

ANNUAL REPORT OF THE SELECTMEN

Last year ended with the retirement of long term selectmen, Jeanne Hemenway, who chose not to run for re-election. After seventeen years as selectmen, Jeanne packed up all of her accomplishments and moved to the Finance Committee upon election to that committee. Jeanne's seat was filled by former assessor Fred Lewelling and the Board was reorganized with Joseph A. Wilhelm, III as Chairman, Jeffrey S. Ciuffreda as Clerk, and Fred Lewelling as Welfare Agent.

The year was a hectic one and a difficult one as the state's budget problems spilled over to the local level. The quarterly board meetings continued making communication between all boards much easier and the general feeling was that these meetings were very beneficial to all.

The Meekins Lot law suit was settled and the town purchased another parcel of land, the Sylvester property on South Street which will be paid for mostly through a grant program administered by the State. This purchase was a top priority of the Open Space plan and the Water Commissioners and is essential to protecting the towns well.

The Bike Path Committee reported back to the Select Board their findings and will pursue having the chosen plan approved by the State. It was expected that some changes may be needed and a more detailed analysis of possible costs to the town done before final action is taken.

A Town Buildings Needs Committee was set up, chaired by Michael J. Moran, which submitted its report to the town. Included in the report was a listing of all town property and suggestions for short term repairs as well as long term repairs, additions, and extensions. Additionally, the report listed possible uses for some of the buildings. The report will serve as a planning guide for the Board.

The seemingly never ending problems of unleashed dogs continue to eat away at the time of the Board and Police Department. Work is being done on joining other towns for a solution to this problem, and we are still looking for a person to fill that position.

The day to day operations of the town seem to be becoming more and more detailed. Liddy Baker-Mathers decided to pursue other ventures after serving notably as Town Secretary, a position which was filled by Kathy Warner and who is taking on some more of the Selectboard's research

The Police Department has had some difficult periods adopting to new rules and regulations and the Selectmen have seemingly dedicated more time to dealing with those issues. Hopefully, with everyones effort, these problems are working themselves out.

Some streets were named and renamed as part of the Planning Boards house number project. These actions were taken after talking to those affected, trying to take into consideration emotional feelings and the history behind names.

Housing, education, and new businesses in town are areas being addressed.

Respectfully submitted,

Joseph A. Wilhelm, III, Chairman
Jeffrey S. Ciuffreda
Frederick W. Lewelling

ANNUAL REPORT HIGHWAY DEPARTMENT

During the winter of 1988, there were twelve (12) snow storms totalling 77 inches of snow and four (4) ice storms. Approximately 200 tons of salt and 6000 tons of sand were applied to the roadways. The Highway Department continues to hire six privately owned snow plows to work in addition to our own equipment.

Annual town meeting appropriated \$ 25,800.00 which was used in addition to \$5,227.00 taken from the operating budgets for the purchase of equipment. A brush chipper and a 4-wheel drive pickup truck with a dump body, snow plow, and sander were purchased.

In addition to our regular and routine work, a 1000 foot section on South Street was repaired to correct a frost heaving problem. The pavement was pulverized, drainage installed, the roadbase homogenized and the large rocks removed. Gravel was added and overlaid with bituminous. An additional 1000 feet was also overlaid. A 250 foot section of Route 143 was pulverized to correct a dangerous section of road and 700 feet overlaid to cover this section plus smooth a bridge and its approach. The town office parking lot was rebuilt with the final bituminous overlay to be done in the summer of 1989.

Two corners on the Unquomunk Road were improved to provide better access.

Construction was started on the last section of Hyde Hill Road and Hyde Hill Branch Road. Progress was not as extensive as initially anticipated due to the excess number of large boulders to remove and blast.

The project to slope the banks on the edges of O'Neil Road remains to be finished. We had anticipated doing this job by filling in over a period of time. Since this has not occurred in two years and the roadside remains a mess, the project will be scheduled to be done next construction season.

\$ 14,000. of Chapter 90 money was spent for preliminary engineering for repairs to five bridges; Village Hill, Old Goshen Road, Geer Hill Road, Hemenway Road, and Bridge Street. These reports were submitted to the Massachusetts Department of Public Works for possible funding.

It is our plan for next year to finish O'Neil Road, Hyde Hill Road, the parking lot and improve High Street and a section of Mountain Street up to Laurel Road.

One of the most dangerous times in the Highway employee's job is sanding the roads during ice storms. I feel that the purchase of a 4-wheel drive truck large enough to carry a 6 cubic yard sander arranged to sand before the wheels would make the job much safer.

We should look for an opportunity to upgrade our road sweeper in the next few years.

I wish to thank the people from our town government, area contractors, citizens of Williamsburg and the Highway Department employees, John Kolosewicz (who has completed 20 years of service in 1988) and Linwood Clark, all of whose cooperation and understanding make the Highway Superintendents duties enjoyable.

Respectfully submitted,

Roger Bisbee
Highway Superintendent

ANNUAL REPORT FIRE DEPARTMENT

The Williamsburg Fire Department responded to forty-eight (48) calls during 1988. Eight (8) were vehicle accidents, nine (9) woods and grassland, five (5) mutual aid to other communities, four (4) vehicle fires, four (4) chimney fires, three (3) alarm sounding, two (2) appliance malfunction, two (2) structure fires, one (1) hazardous materials incident, and ten (10) miscellaneous calls.

At the Annual Town Meeting, May 2, 1988, \$8,000. was appropriated to purchase a vehicle to replace the 1978 Ford car. A 1983 4-wheel drive Chevrolet Suburban was purchased. This vehicle should give us flexibility in transporting personnel and equipment as well as better accessibility in slippery and muddy conditions.

The Town should take advantage of any economical ways of increasing it's Fire Station size. The building practices of large homes away from the fire hydrants and homes with long driveways will soon necessitate additional vehicles to offer fire protection where water supply and vehicle access are limited.

I wish to thank the officers and firefighters for their dedication in maintaining their level of training and excellence in handling fire emergencies. Their willingness to serve and perform a difficult and sometimes dangerous job gives the Town a good level of fire protection at a modest cost.

Respectfully,

Roger A. Bisbee
Fire Chief

ANNUAL REPORT OF THE POLICE DEPARTMENT

March 1, 1988 was the beginning of a new era for not only the Police Department, but also the Town of Williamsburg. The changes have been dramatic and I sense that the majority of the Town's residents are proud of "their" Police Department and pleased with the improved services we are providing. Although there have been a few minor problems, I am pleased with not only the overall acceptance and friendly welcome extended to me, but also with the progress we have made in ten months.

In July, we began updating the Department's equipment by purchasing a used 1985 cruiser to replace the 1981. The new moving radar unit purchased in 1986 was permanently mounted in Car 22 and its use has been instrumental in reducing the speed of vehicles traveling Route 9 through the center of Williamsburg as well as an obvious low ratio of motor vehicle accidents with personal injuries. November saw the introduction of a new Department patch, incorporating the Town seal, designed by Elizabeth Baker-Mathers. On September 30, 1988 the Williamsburg Police Department was awarded a grant, in the amount of \$ 17,755.00, by the Massachusetts Committee on Criminal Justice for the purchase of a computer system and software, which will allow us to computerize the entire records system.

Training of Department personnel has been updated with all Officers undergoing Firearms Re-certification in September. Several Officers received specialized training in Crime Prevention, Narcotics Investigations and Radar Operation. As Chief, I attended a course in Budget Preparation and Presentation as well as the three week Command Training Course at the New England Institute of Law Enforcement Management at Babson College, both of which will assist me with more efficient and effective management of the Department. I have become active in both the Western Mass. Chief's Association and the Massachusetts Chiefs of Police Association, through which valuable information on pending legislation, available grants management issues, and court decisions which affect Police Department is disseminated. Additionally, I have conducted a Personal Safety and Fingerprint program in the two elementary schools, as well as a Halloween safety program and several informational talks to the Lions, Cub Scouts and Girl Scouts.

The Department statistics for the year 1988 are listed below, totals for 1987 are shown in parenthesis for comparison:

<u>ARRESTS</u>		<u>MALES</u>	<u>FEMALES</u>
ADULTS	51 (8)	42	9
JUVENILES	9	8	1
NO COURT ACTION		2 Adults

---------------------------------------	-----	-------

<u>COURT REVENUE RETURNED</u>	\$ 17,820. (\$7,715.)
-------------------------------	-----------------------

Although, when looking at the above statistics, it may appear as though there has been a serious increase in crime in Williamsburg, I must point out that what it reflects is rather an increased dependency on our own Police Department and reduced calls to the State Police. We certainly appreciate the amount of work they have performed for our town in the past and welcome the times they cover when one of our Officers is not available, as well as the back-up services and lock-up facilities they continue to provide.

In closing, I would like to thank everyone, who has helped make my first ten months as Chief of Police successful. I look forward to your continued support and the Department's expanded and improved services in the community in 1989.

Respectfully submitted,

Linda S. Hammond
Chief of Police

ANNUAL REPORT OF THE GOSHEN AMBULANCE SERVICE

Calendar year 1988 was another busy one for the Goshen Ambulance Service. We handled approximately the same volume of calls as last year, however, we did this with a fewer number of EMTs.

Each EMT is required to complete a number of recertification curricula and it becomes difficult for some to justify the hours needed to comply versus the other interests and need in their lives. We wish these people well and hope your experience as EMTs was rewarding. At the same time, we encourage new people to join this type of activity and currently have nine (9) enrolled in a Basic level EMT course sponsored by Hampshire County Emergency Medical Services Committee and being given in Williamsburg.

1988 saw one of our EMTs attain Paramedic status. Congratulations to HARRY KELLOGG of WILLIAMSBURG. We are currently seeking permission from the State to allow him to function to the fullest of his ability while serving on our ambulance.

The new ambulance was ordered after a self imposed delay to allow the new fire station to be completed before its arrival. It may still come first!

With Thanks to All Who Give So Much

Respectfully,

Francis S. Dresser
Director

ANNUAL REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors are in the midst of revaluation for the fiscal year 1989 and, therefore, we have not set the tax rate yet. Our work is progressing at a reasonable rate and we hope to have the tax rate for the last half bill. The work we are doing is the same as if we had hired a concern to do it. We have been to each house, checked all measurements, and taken a picture of each building and have computed the new figures. We will send out notices in the near future so the taxpayers can see and compare old values and new values, plus the amount of taxes paid and the estimated amount of taxes for fiscal year 1989.

The next revaluation we will be required to hire an outside firm at an estimated cost of 45 to 50 thousand dollars unless we can purchase the state computer system called Cama. Hopefully if this can be installed in time, the Board of Assessors will be able to do their own revaluation, with assistance of the Western Mass State Office. We will be having an article in the warrant as to the amount of this system. By using this system instead of hiring a reval company. The savings will more than offset the cost of the system.

We feel, at this time, that we as a Board have done as good a job as any outside company. Partially because we, as local people, know the area and houses through the 35 years we have served as assessors.

The Board of Assessors meet every Tuesday at 7:30 to 10 P.M. All taxpayers are welcome.

Respectfully,

Peter Shumway

Henry J. Warner

Robert McQuestion

ANNUAL REPORT OF THE TRUST FUND

The Trust Fund Committee met as a part of the Select Board meetings, as the two boards have identical membership. The Trust Funds provided critically needed money for the school, allowing the replacement of throw-away flatware and dishes with permanent ones. We purchased an expensive communication device for a young citizen suffering from a seriously debilitating disease. We continued the long-standing policy of small gifts to our nonagenarian citizens at Christmas and on their birthdays. We continue to recognize new children with the Henry Hills Trust awards. In general, it was a fairly typical year.

Respectfully submitted,

Joseph A. Wilhelm

ANNUAL REPORT OF THE BOARD OF HEALTH

During 1988, the Board of Health has:

- Investigated tenant complaints;
- Made routine inspections of restaurants and stores
- Performed site inspections on health and sanitation issues;
- Joined with Whately in starting the regional Foothills Health District to share a full-time health agent. This agent will perform such functions as restaurant and store inspections and perc tests;
- Continued our support of our local Visiting Nurse who provides such services as the blood pressure clinic;
- Continued to financially support the Goshen Ambulance;
- Participated in a Hazardous Waste Collection Day together with several other hilltowns;
- Encouraged the town to join in the use of the Materials Recovery Facility that the State is building in Springfield which will accept our newspapers, cardboard, and glass to begin sometime in late 1989;
- Continued to remove the old scrap metal pile at the Transfer Station to be able to set up areas to more appropriately separate scrap metal by type so that in the future we might not be burdened with paying to dispose of such waste but be able to sell it;
- Instituted fees for large loads of solid waste, such as furniture, tires and demolition materials;
- Began recycling of glass, newspapers and corrugated cardboard at the Town's Transfer Station;
- Repaired the entrance to the Transfer Station gate to improve visibility and snow removal;
- Joined with ten (10) hilltowns in forming the Hilltown Resource Management Cooperative to better cope with our solid waste stream by collaborating our efforts in recycling, finding markets for recycled goods, educating residents and reducing landfill use. Monies have been committed for the start-up of this endeavor but we intend to fund it in future by the reduction in costs of our present sanitation budget;
- Reviewed and commented on proposed housing developments; and
- Continued to try to keep abreast of public health issues by attending several seminars.

The Board has not been able to find a consistently effective method to eliminate roadside trash, nor have we been able to replace our animal inspector. Despite the number of dog bite cases, the Town continues to not have a dog officer.

ANNUAL REPORT OF THE HAMPSHIRE COUNTY REGIONAL REFUSE PLANNING BOARD

Since the Spring of 1987, Williamsburg has sent a representative to the HCRRPB to consider forming and operating a solid waste disposal district, sputted on by such concerns as the rising costs of transporting and dumping our towns' waste into private landfills and the need for recycling. In addition, the State Legislature passed a \$260.5 million solid waste bill to begin such projects as composting programs and construction of regional solid waste facilities. The Materials Recovery Facility in Springfield, begun in late 1988, is one such facility.

During this past year the HCRRPB has split into two separate regions, with the western segment forming a cooperative. At Fall town meetings most of the hilltowns, including Williamsburg, voted to join this cooperative called the Hilltown Resource Management Cooperative. In January, the HRMC hired a coordinator/manager who will be surveying each of the town's trash facilities, talking with town officials, and finding ways to coordinate all of our efforts to better manage our waste stream. Most of these hilltowns already separate some part of their trash, such as newspapers, but all could improve compliance and separate additional items.

Future projects include education of residents on recycling and composting, determining and expanding markets for selling separated items, including scrap metals, and finding economical ways to haul recyclables to these markets and to the MRF, once completed, in Springfield.

Now that Williamsburg has joined the HRMC, two representatives from the town will continue to participate in the implementation of the planning efforts.

Respectfully submitted,

Donna S. Gibson

ANNUAL REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission holds a monthly meeting on the second Thursday of each month at 7:00 P.M. at the Town Offices. Site inspections are scheduled when necessary. The primary function of the Commission is the administration of the Wetlands Protection Act, General Law 131, Section 40, within the Town of Williamsburg. The act has jurisdiction over any activity within a wetland, floodplain, river, stream or within a buffer zone of 100 feet from those areas. No project shall commence in any area protected by law without prior filing of a Notice of Intent with the Conservation Commission.

In 1987 a wildlife habitat protection regulation was added to the Wetlands Protection Act. An appendix to the Wetlands Protection Act must be filed with the Natural Heritage and Endangered Species Program by those located within protected areas. Two wildlife habitat areas have been identified in Town. Maps delineating these areas are posted in the Town Office.

During 1988, the Commission held five public hearings. There were two for bridge construction, and one for brush clearing in a wetland area which included a joint hearing with the Northampton Conservation Commission. There was also a hearing for the construction of a deck and one for a culvert installation. The Commission has issued Orders of Conditions for four of the reviewed projects.

Many on-site inspections were conducted to issue requests for wetlands determination, and to review areas for proposed projects. Two projects fell within the Endangered Species Habitat and were referred to the Natural Heritage and Endangered Species Program for review. The Commission issued one Cease and Desist Order for work initiated within a protected area without filing a Notice of Intent.

Copies of the Wetlands regulations and application forms are available at the Town Office upon request.

ANNUAL REPORT OF THE PLANNING BOARD

The past year has been one of completions and beginnings for the Planning Board. The Board largely concluded work on the difficult task of introducing uniformity to the town's house numbering system, to make each home more accessible to emergency vehicles.

As an adjunct, the Planning Board recommended and the Board of Selectmen agreed, to rename seven streets. The spur off Petticoat Hill Road became Petticoat Lane; the section of Valley View Avenue off Route 9 became Hillenbrand Road; the shared driveway off Hatfield Street became Round Hill Drive; Kellogg Road from Route 9 to the old Kellogg farm became Kellogg Road, while the spur to the left became North Kellogg Road; from Hyde Hill Road to Corner Road in Goshen became Hyde Hill Branch; the way off Hatfield Street parallel to Route 9 became Pondview Drive; and the road from Mountain Street to North Farms Road became Dewey Circle.

The board is continuing to consider broad revisions and additions to the town by-laws. The board received a grant of more than \$ 19,000. from the Massachusetts Council on the Arts and Humanities to support research and specific bylaw working from a team of planners at the Pioneer Valley Planning Commission. The board has also had valuable assistance from the Center for Rural Massachusetts in formulating possible amendments to our protective by-laws.

Williamsburg is steadily growing. In the last year the Board approved the creation of many new lots on South Street, Mountain Street, Briar Hill Road, Adams Road, Depot Road, Hyde Hill Road and North Farms Road. Owners of land on Nash Hill Road and Mountain Street have shown an interest in constructing subdivisions. It is the hope of the Planning Board, one shared by most of our residents, that we can continue to accommodate new neighbors without losing the scenic beauty and sense of community that make Williamsburg such an attractive, distinguished town.

ANNUAL REPORT COUNCIL ON AGING

The Williamsburg Council on Aging is committed to improving the quality of life for the Hilltown's present and future senior citizens. What follows is a summary of the types of programs and services offered to the elderly in this community.

Information and Referral The Council acts as a clearing house for specific information on health and social services. This past year, the Council responded to 60 calls requesting information.

Outreach Home visits and phone calls are made to individuals who do not attend the senior center or who are homebound and in need of companionship. This past year 25 such visits and calls were made.

Special Classes and Programs

- * A six part series on small home repairs
- * Two health screening clinics for cholesterol and glucose
- * Weekly senior fitness classes
- * Brown Bag distribution
- * Senior Craft Fair
- * Monthly blood pressure screening clinics
- * Tax clinics
- * Eye screening clinic
- * Quarterly newsletter for the Hilltowns mailed to 700 homes
- * Monthly needlework class
- * Bimonthly podiatry clinic
- * Two annual luncheons for the Hilltown seniors
- * Flu Clinic

The total number of individuals served by these programs is 450.

Volunteer Program 30 volunteers put in 543 hours to assist in running the senior center, the meal site, the brown bag distribution, the travel club and various other programs which give the center its vitality and strength.

In conclusion, we would like to express our appreciation to the following individuals and organizations for their contribution towards providing quality services at the senior center: Marion Williston, Lucille Temple, the Williamsburg VNA, the Hampshire County United Way, Dr. Peter Siersma and his staff, Emily Bancroft, Richard Turner, Dr. Plant, Donald Baldwin and the Town of Williamsburg for their continued support of the Council on Aging.

ANNUAL REPORT OF THE VISITING NURSE ASSOCIATION

During the year 1988 (January - December) the Williamsburg V.N.A., in conjunction with the Council on Aging, sponsored a blood pressure clinic ranging from 1½ to 2 hours monthly at the Senior Center. An average of 34 people attended each session. Usually, there were three to four new people each month. An ongoing record of an individuals' blood pressure is kept. The V.N.A. had new cards (wallet size) printed for each person to keep a record of their own blood pressure.

A cholesterol and glucose screening was held in October and again in November with a total of fifty people attending. Appreciation to Dr. Peter Siersma and his medical technician for providing the equipment and their time.

Flu vaccine was administered to 80 people in November.

Fifteen home visits were made throughout the year for baths, surgical dressings, or other medical needs or assessment. A donation of up to \$ 10. is accepted for each home visit.

Marion Williston, R.N. and I shared the responsibility of the clinics and the home visits.

Respectfully submitted,

ANNUAL REPORT OF THE OLIVER SMITH WILL

Under the provisions of the Oliver Smith Will, several townspeople listed in the following categories received benefits during this year:

Eight (8) Brides \$ 800.00

Three (3) Widows \$ 600.00

One (1) boy enrolled under the trade program

Trade persons working under an apprenticeship program may apply for benefits before the age of 19, but must serve until the age of 21. The sum of \$ 600. will be placed in a bank until that person reaches the age of 21. The one years interest is paid to Smith Charities and this money is in turn given to the trades person at the age of 22.

Brides (first marriage only) by applying within 90 days after marriage, may qualify for a gift of \$ 100.

Nursing Students may apply within six months after entry into a nursing school for a \$360. gift upon graduating with an R.N. degree.

Widows with children under 18, who do not remarry and do remain within the town may apply for \$ 200. annually.

Applications and information concerning benefits may be obtained from Raymond Heath Jr., 5 Edwards sTreet, Haydenville, Ma 01039.

ANNUAL REPORT OF THE HAYDENVILLE LIBRARY

The Haydenville Library had a successful year, with several worthwhile projects getting under way.

In April, walls and ceilings were repaired by the Loomis Brothers, the funds coming from a 1987 State library grant.

In the fall, thanks to a generous offer of help from Jim Moran and many interested townspeople, preliminary work was begun toward installing running water and plumbing in the library. We expect this project to be completed in time for the one hundredth anniversary of the library in 1989.

This year the Haydenville and Meekins libraries again received grants from the Massachusetts Board of Library Commissioners, a welcome aid toward renovations.

Seasonal programs were held during the year for the children, with the help of volunteers Diane Potter and Susan Vermese. They included a Valentine party and an Easter egg hunt.

The summer reading program attracted many young readers, with the theme "Super Sleuth". Many prizes were given.

ANNUAL REPORT OF THE RECREATION COMMISSION

1989 represented another year of exciting growth for the Recreation Commission's programs. The five week summer program broke all previous attendance records by averaging almost sixty children per day. Program participants ranged in age from 6 to 16. Day trips to D.A.R. State Forest in Goshen, Clear Falls, Look Park and Interskate 91 spiced the usual offerings of games and crafts.

The twelve seasonal programs in soccer, basketball, volleyball, little league baseball, teen league baseball and softball continued to show increased participation by youth and adults. Winter excursions to the Y.M.C.A. to swim and to Interskate 91 were also heavily attended. All these programs continued to be staffed by adult volunteers to whom thank you's are ardently extended. More volunteers are always welcome and needed!

The committee has gained two new members: Linda Hathaway Smart and Joan Lafogg. Their dedicated efforts are a fortuitous addition to our work!

We look forward to a fun 1989 and a renewal of the constructive spirit of recreation.

Sincerely, The Commission,

Cheryl Brooks, Treasurer

ANNUAL REPORT OF THE TAX COLLECTOR

Dear Taxpayers,

The following pages are the report of the tax collector for Fiscal 1988.

I would like to thank all of you who made voluntary payments in Fiscal 1988 amounting to \$ 239,700. and for the very great response of voluntary payments for Fiscal 1989 which totaled \$ 457,700. Without this response, the Town would have had to borrow this money in order to function.

My sincere thanks to Liddy Baker-Mathers, Charlie Kellogg, Donald Baldwin, Donald Williston, Carl Satterfield and Kathy Warner for their assistance and expertise.

May all the taxpayers in the Town of Williamsburg continue to faithfully support their Town.

Very truly yours,

Katharine B. Curtin

ANNUAL REPORT OF THE TOWN TREASURER

The October 19th "crash" occurred during the period covered by this report. There was no direct impact upon the general funds of the Town because the only legal investments of general funds are those which protect the principal of the investment, for example: bank deposits of up to \$ 100,000.

The Trust Funds are invested about 40% in bank deposits and 60% in marketable securities. Marketable securities are restricted to only investment grade securities carrying an "A" rating or better by either Standard and Poors or Moody's Investors Service.

The Daniel Collins Fund carries a different standard because Doctor Collins requires that the principal be invested in safe and solvent bank commonstocks of a local nature. In 1988 as before, the local bank is becoming more and more the Boston or New York institution. During FY 1988, both Heritage-NIS and United Savings Bank became stockholders owned institutions, and the portfolio was adjusted to purchase some of the shares of these two local institutions.

During FY 1988, our local Hampshire National Bank was absorbed by the Bank of New England, the second largest institution in Massachusetts. By the time this report is published, the Bank of New England will have disappeared from Williamsburg and be replaced by the Florence Savings Bank.

The lesson is that small towns are basically irrelevant to the profitability of the large institution. At the time of closing of the Williamsburg office, the Town of Williamsburg had about \$400,000. on deposit with the Bank of New England, a \$ 28,000,000,000. bank, or .0014% of the total deposits of the bank. When it was Hampshire National the same levels of deposits represented 2.2215% of the total deposits of the former bank.

During February, 1988, I received the additional honor of becoming the third member of the Hampshire County Retirement Board, which controls the retirement program for all town employees except the school teachers. I joined the Board after enactment of C. 697 of the Acts of 1987, which is a major reform for the purpose of curing some unfairnesses in the retirement laws together with addressing certain financial weaknesses which have existed. Williamsburg is experiencing growth in the level of services being delivered, which, together with the financial restructurings, is causing our local contributions to increase dramatically, certainly faster than would be actuarially determined.

The following tables reflect my doings with the public funds of Williamsburg in my custody during FY 1988. I am pleased to report that during the year I generated a total of \$122,150.88 of revenue upon those assets. By comparison, during FY 1981, my first year as your Treasurer, I generated \$ 42,358.50 of combined revenue.

Respectfully submitted,

Donald D. Williston
Town Treasurer

**HAMPSHIRE REGIONAL SCHOOL COMMITTEE
1988 TOWN REPORT**

In 1988 the Hampshire Regional School Committee continued its on-going commitment "to provide a broad range of learning experiences and equal opportunities for students to grow to their full potential", as stated in the Mission Statement. The Committee supported the Guidance Department's development of two programs to assist the non-college bound student. The Work Study program has successfully placed over thirty students in job settings. Career Counseling has provided information about career options new to many students. The latter program is available to the nearly two-thirds of our student body who are college bound as well. The same commitment has supported the new seventh grade concept which is beginning to bring identity to the previously little recognized junior high age students. Southampton's gift of the D.A.R.E. Program enhanced awareness among the seventh grade of the effects of alcohol and drugs. The hiring of an additional Industrial Arts teacher has allowed all the seventh and eighth grade students to receive Industrial Arts Training.

While the Committee is constantly trying to up-grade our program, we also can review results with great satisfaction. As an example, for the tenth year in a row the SAT scores are substantially higher than the State averages.

The selection of Peter Kostek as a Lucretia Crocker Fellow emphasized the quality of the faculty which is educating our children so effectively. In keeping with our desire to recognize that excellence, a separate location has been made available in the Library to shelve professional publications written by the faculty.

The Student/Parent Handbook has been reorganized, rewritten and given a new format. Faculty, administrative, student and parent input greatly facilitated this task.

The Governor's Alliance Against Drugs has provided funding for several health and drug/alcohol related interests of the Committee. Among these is a health survey, designed to assist in building a K-12 health curriculum, along with an AIDS workshop. While the use of drugs at HRHS is very small comparatively speaking, the Committee is very concerned that our students understand the ramifications of substance abuse, and are effectively treated when the need arises.

For many years our older students have been recognized for their generosity during the Red Cross Blood Drives. In addition, the HRHS Chapter of the Massachusetts Future Business Leaders of America has been publicly rewarded by the March of Dimes for its fund raising success. Throughout the year, students of the school demonstrate increasing social awareness through food drives and their search for more information about our society's problems.

The issue of restructuring the Hampshire Regional School District into a K-12 single district was brought before the towns for a vote. The outcome was four in favor and one

opposed. A unanimous vote was needed to make this change and therefore the question failed. The Hampshire Regional School Committee supported the change, since the change was seen to be in keeping with the on-going goals of the Committee, that is, to provide the best possible education for our children while at the same time being fiscally responsible. Although the question of K-12 regionalization is now settled, the Committee's dedication to its goals continues.

Respectfully submitted,

The Hampshire Regional School Committee

 JAMES R FREEBOURN, TREASURER

RECONCILIATION OF TREASURER'S CASH

As required by Massachusetts General Law, Chapter 41-Section 50, I have examined the cash book, checkbooks, and savings books of the Town Treasurer and have compared therein with those in the general ledger cash accounts. The cash contained on June 30, 1988, was proved reconciliation of the bank balances with statements by the banks of deposit, by inspection of the savings bank books and by count of the cash in the office.

Carl W. Satterfield, Jr.
Town Accountant

Article 35. To see if the Town will vote to amend the Hampshire Regional School District Agreement by voting to do the following:
recommend

Strike out subsection I (A) and I (7) as amended in their entirety and inserting in place thereof the following subsection:

A. Composition:

The powers and duties of the Regional School District shall be vested in and exercised by a Regional District Committee, hereinafter sometimes referred to as the Committee. The Committee shall consist of eighteen members, six from the Town of Southampton, four from the Town of Williamsburg, three from each of the Towns of Chesterfield and Westhampton and two from the Town of Goshen. Of the six from Southampton, one shall be appointed and five shall be elected; of the four from Williamsburg, one shall be appointed and three shall be elected; of the three members from each of the Towns of Chesterfield and Westhampton, one shall be appointed and two shall be elected; of the two members from Goshen, one shall be appointed and one shall be elected. Appointed members shall be those appointed by the local school committee of each member town. Elected members shall be those elected at annual town elections. Members shall serve until their respective successors are appointed or elected and qualified.

D. Voting Strength:

The total membership of the Committee shall remain constant at eighteen (18) members. Each member shall be entitled to one vote at all committee meetings. Each vote shall be weighted to reflect the town's relative population size. The weight applied to each vote shall be determined by the ratio which the population of the voting member's town bears to the total population of all member towns as determined by the most recently available Federal Census Figures.

Strike out Subsection I (B), I (E), I (F) and I (G), and inserting in place thereof, the following subsection:

B. Appointed Members:

Immediately after each annual town election, the local school committee of each member town shall appoint one member from its own membership to serve on the committee for a term of one year.

C. Elected Members:

In every year in which the term of office of an elected member(s) expires, the member town concerned shall, at its annual town election, elect such member or members for a term of three years.

E. Vacancies:

If a vacancy occurs among the members appointed under subsection I (B), the local school committee of the member town involved shall appoint a member from its own membership to serve for the balance of the unexpired term. If a vacancy occurs among the members elected under subsection I (C), the selectmen and the remaining committee members from the town involved, acting jointly, shall appoint a member to serve until the next annual town election, at which election a successor shall be elected to serve for the balance of the unexpired term, if any.

F. Organizations:

Promptly upon the appointment or election and qualification of members, the committee shall organize and choose by ballot, a chairman from its own membership. At the same meeting or at any other meeting, the committee shall appoint a treasurer, assistant treasurer, and a secretary who may be the same person but who need not be members of the committee, choose such officers as it deems advisable, determine the terms of the office of its officers (except the chairman who shall be elected annually as provided above) and prescribe the powers and duties of any of its officers, fix the time and place of its regular meetings, provide for the calling of special meetings and specify the notice required for meetings and the manner in which vacancies in the offices authorized under the subsection I (F) shall be filled.

G. Quorum:

The quorum for the transaction of business shall be a majority of the wrighted votes described in Section 1 (D) of the Committee, but a number less than the majority described in Section 1 (G) may adjourn.

H. Powers and Duties:

The committee shall have all the powers and duties conferred and imposed upon school committees by law and conferred and imposed upon by this agreement, and such other additional powers and duties as are specified in Sections 16 to 161, inclusive, of Chapter 71 of the General Laws and any amendments thereof or additions thereto now or hereafter enacted, or as may be specified in any other applicable general or special law.

Article 36. To see if the town will vote to amend the Hampshire Regional School District Agreement by voting to do the following:
recommend

Strike out sub-section IV (D) and inserting in place thereof the following sub-section:

Capital and operating costs shall be apportioned to the member towns on the basis of their respective pupil enrollments in the regional school. Each member town's share for each fiscal year shall be determined by computing the ratio which that town's average pupil enrollment in the regional district on October 1 of each of the five years next preceding the year for which the apportionment is determined bears to the total average pupil enrollment from all member towns in the regional district school for the same five year period. In the event that enrollment in the regional district school has not been accomplished by October 1 of any year, capital and operating costs shall be apportioned on the basis of enrollment in grades seven through twelve of pupils residing in each member town and receiving education at such town's expense on October 1 of that year.

The moving average shall be computed for fiscal 1990 on the basis of the most recent two years, for fiscal 1991 on the basis of the most recent three years, for fiscal 1992 on the basis of the most recent four years and for fiscal 1993 and each year thereafter on the basis of the most recent five years.

Ballot Question # 1:

Shall the Town of Williamsburg, Massachusetts, be allowed to assess an additional \$ 67,300. in real estate and personal property taxes for the purposes of sanitation, insurance and education for the fiscal year beginning July 1989.

Ballot Question # 2 (NON-BINDING)

Do you want the Williamsburg Board of Selectmen, (acting as police commissioners), to take immediate and binding action to implement the following policy:

"The Police Chief of Williamsburg shall attend and report orally and in writing in a concise fashion, (not to exceed 30 minutes), at each weekly open meeting of the Williamsburg Selectmen the following information:

- 1) A summary of all newly proposed police department policies, including all interoffice mandates; and
- 2) A report of each police officers work, including the chief, relating to tickets written, arrests made, firearm permits issued/applied for/or acted on, court appearances made or missed, and any other costs to the Town including excessive phone or other communication expenses, as well as any complaints regarding the services provided by the department or lack thereof; and
- 3) All departmental scheduled vacations, days off, leaves of absence, shift changes, and personnel training schedules and reports; and

Excluding the chief, all officers on a rotating basis as part of their duties shall report orally and in writing, monthly at the first meeting of the Williamsburg Selectmen, and be paid for such appearance, (not to exceed 2 hours), regarding any complaint(s) from within the ranks of the department relating to the chief's leadership, performance, compatability, cooperation, attitude, efficiency, openess, attendance, and any other issues which may effect the collective morale and work conditions of the police officers under control of the Selectmen acting as Police Commissioners".

It is the intent of this policy to ensure the smooth and efficient operation of the Williamsburg Police Department, and to avoid wrongful notoriety of the same.
